

Kyagi Privacy Policy

Last Updated: April 26, 2026

Kyagi ("we," "us," or "our") operates the Kyagi mobile application and related services (the "Service"). This Privacy Policy explains how we collect, use, share, and protect your personal information when you use the Service.

By using Kyagi, you agree to the practices described in this Privacy Policy. If you do not agree, please do not use the Service.

1. Information We Collect

Information You Provide Directly

- **Account Information.** When you create an account, we collect your email address and display name.
- **Profile Information.** You may choose to add a profile photo, home city, and other optional details to your profile.
- **Phone Number.** When you create an account, we collect your phone number for account security and recovery. Phone numbers are stored only in hashed form and are never visible to other users, used for marketing, or shared with third parties.
- **Posts and Content.** Photos, text, voice memos, and other content you share in your circle, including comments and reactions.
- **Scheduling Information.** When you use our scheduling features, we collect the dates, time blocks, activities, and participants associated with your hangout invitations.
- **Travel Status.** If you choose to share your travel status, we collect the city you indicate you are visiting and which friends you choose to make this visible to.
- **Circle and Friend Data.** Your friend list and circle membership information.

Information Collected Automatically

- **Device Information.** Device type, operating system version, and browser type for the purpose of delivering and optimizing the Service.
- **Usage Data.** Basic interaction data such as when you open the app, post content, or send a scheduling invite. We do not use third-party analytics or advertising SDKs.
- **Log Data.** Server logs may record IP addresses and request metadata for security, debugging, and abuse prevention purposes. This data is not used to build user profiles.

Information We Do NOT Collect

- We do not collect precise GPS location. Home city and travel status are manually entered by you.

- We do not access your device's contact list or address book.
- We do not use cookies for advertising or tracking.
- We do not use any third-party advertising SDKs or ad networks.
- We do not collect financial or payment information directly. If we offer paid features, payment processing will be handled entirely by Apple (App Store) or Google (Play Store).

2. How We Use Your Information

- **Providing the Service.** Displaying your posts to your circle, delivering scheduling invitations and responses, showing travel status to selected friends, and generating periodic recaps.
- **Notifications.** Sending push notifications for scheduling activity, comments on your posts, and periodic recaps. We do not send engagement nudges, streak reminders, or re-engagement prompts.
- **Account Management.** Creating and maintaining your account, authenticating your identity, recovering account access, and enabling you to manage your settings.
- **Security and Integrity.** Detecting and preventing abuse, fraud, or violations of our Terms of Service.
- **Improving the Service.** Understanding how features are used in aggregate to fix bugs and improve the product. We do not build individual behavioral profiles for advertising purposes.

3. How We Share Your Information

With Other Kyagi Users

Content you post is visible to the friends in your circle. Scheduling invitations are visible to the specific friends you invite. Travel status is visible only to the friends you select.

With Service Providers

We use third-party service providers for hosting, authentication, transactional email, and push notification delivery. These providers process data on our behalf and are obligated to protect your information consistent with this Privacy Policy.

We Do NOT Share Your Information For

- **Advertising.** We do not sell, rent, or share your data with advertisers or ad networks.
- **Data Brokering.** We do not sell your personal information to any third party.
- **Profiling.** We do not share data with third parties for the purpose of building consumer profiles.

We may disclose your information if required to do so by law, regulation, legal process, or governmental request, or if we believe disclosure is necessary to protect our rights, your safety, or the safety of others.

4. Data Retention

- **Account Data.** We retain your account information for as long as your account is active. If you delete your account, we will delete your personal data within 30 days, except where retention is required by law.
- **Posts and Content.** Your posts are retained while your account is active. Deleted posts are permanently removed from our servers.
- **Scheduling Data.** Past hangout records are retained to support features like hangout history. You may request deletion at any time.
- **Server Logs.** Log data is retained for a limited period and is used solely for security and debugging.

5. Your Rights and Choices

- **Access.** You can view your profile information, posts, and scheduling history directly within the app.
- **Correction.** You can update your profile information, home city, and display name in app settings at any time.
- **Deletion.** You can delete individual posts, or request deletion of your entire account and all associated data by contacting us at the email listed below. Upon account deletion, your data will be removed within 30 days.
- **Push Notifications.** You can enable or disable push notifications at any time through your device settings.
- **Travel Status.** You can remove your travel status at any time, and you control which friends can see it.
- **Withdraw Consent.** Where processing is based on your consent, you may withdraw consent at any time by adjusting your settings or contacting us.

6. Data Security

We implement appropriate technical and organizational measures to protect your personal information, including encryption of data in transit, access controls in our database, and secure authentication. No method of transmission or storage is 100% secure. If you become aware of any unauthorized access to your account, please contact us immediately.

7. Children's Privacy

Kyagi is not directed at children under the age of 13. We do not knowingly collect personal information from children under 13. If we learn that we have collected personal information from a child under 13, we will take steps to delete that information promptly.

8. Third-Party Links and Services

Kyagi may contain links to third-party services (such as calendar applications for adding hangout events). We do not receive or access your calendar data. Your use of third-party services is governed by their respective privacy policies.

9. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. If we make material changes, we will notify you through the app or by other appropriate means before the changes take effect. Your continued use of the Service after changes become effective constitutes acceptance of the revised policy.

10. Contact Us
